HOSTESS with the MOSTESS

“*Being comfortable with sparkle and shine while hosting, a must!*”

– Charese J

Be happy, festive and comfortable!

Your guests are coming to see you, you're hosting them.
Don't be afraid to give sparkle and shine.

GOOD TABLE TASTE

“
Make your Holiday Dinner Parties a *Visionary Experience*
your guests won't forget.
”

– Charese J

Host memorable holiday parties.

Make magic by carefully curating the dinner details:

- Create Place Cards; handwritten or typed
- Print the Menu
- Note Dietary Restrictions – vegan, pork and/ or allergies; accommodate for guests' diets

CRAFT your COCKTAILS

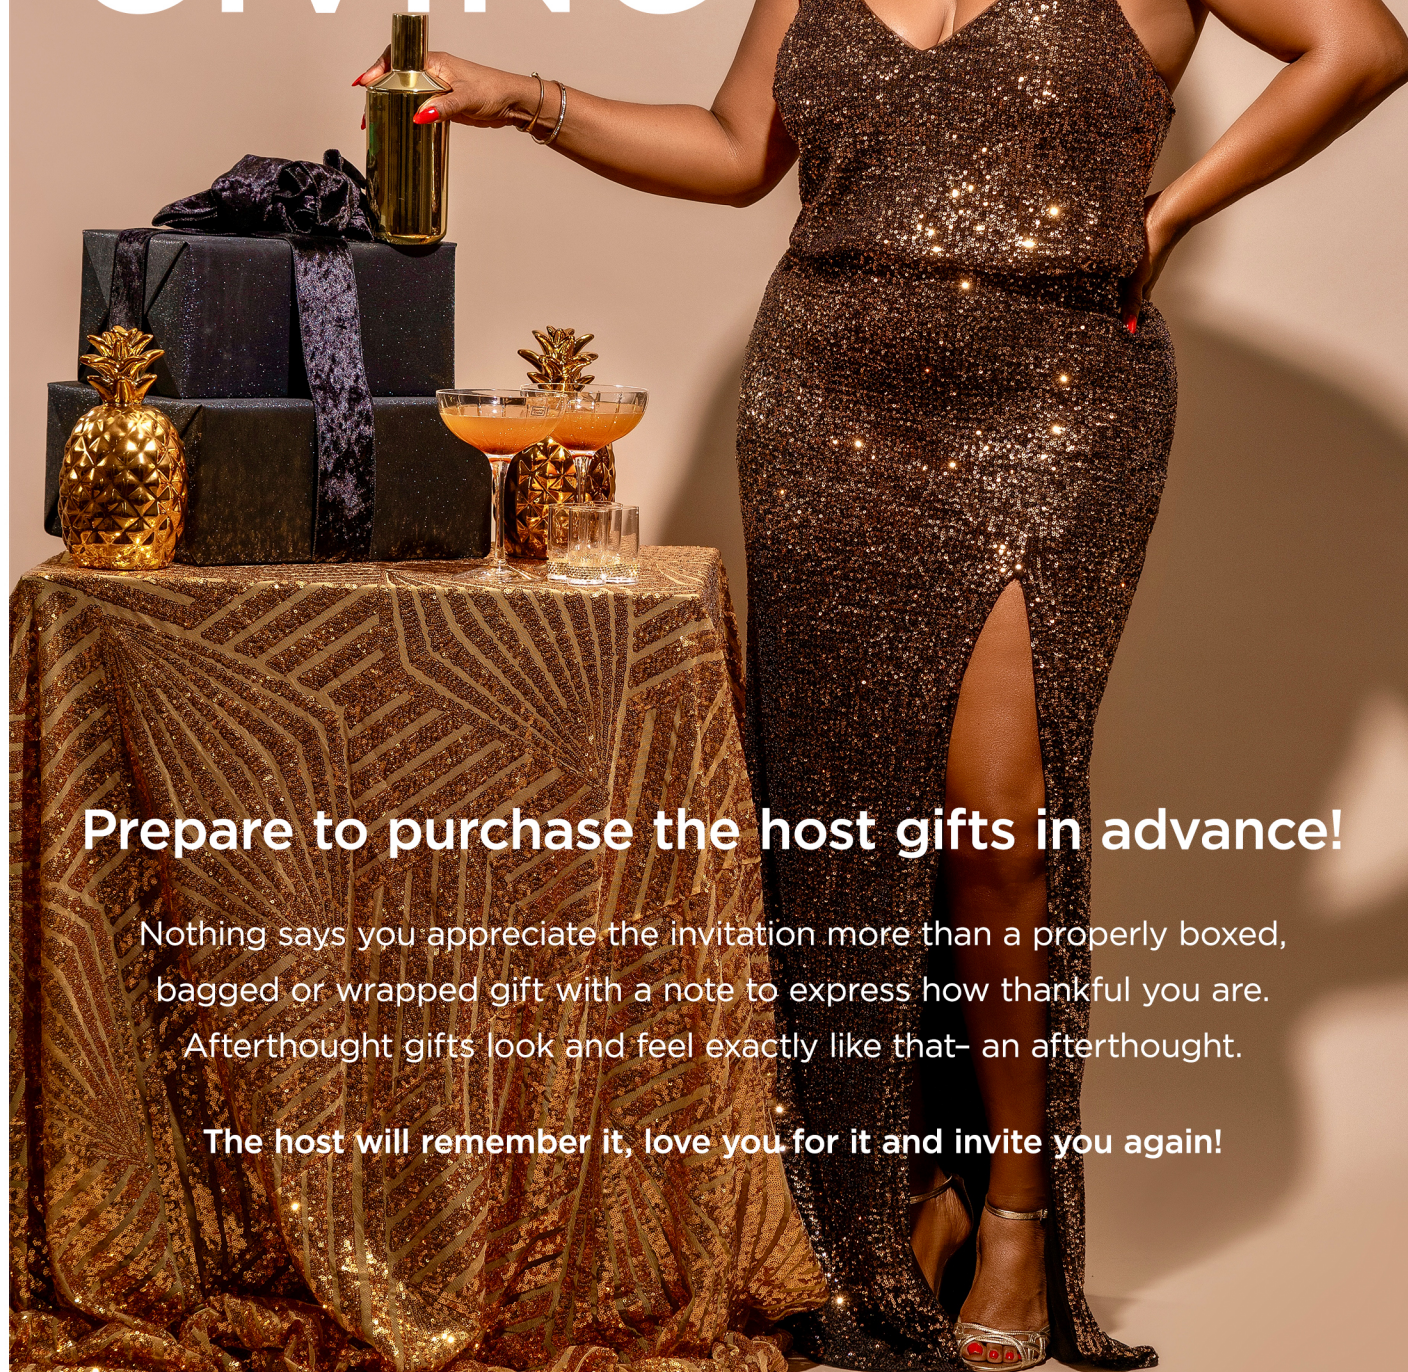

Crafted cocktails aren't just for mixologist!

Nothing “levels-up” your holiday party like a signature cocktail, chic stemware and a sexy garnish. Whether a dry Brut, savory Prosecco, flavored Vodka or an aged Tequila.

Your signature cocktail will change the entire vibe!

GIFTS that keep GIVING

Prepare to purchase the host gifts in advance!

Nothing says you appreciate the invitation more than a properly boxed, bagged or wrapped gift with a note to express how thankful you are.

Afterthought gifts look and feel exactly like that- an afterthought.

The host will remember it, love you for it and invite you again!
